BUFFALO EXCHANGE

ABSTRACT PIECE: NASTY GAL
SUNGLASSES: PORCHE CARRERA

Senior Style Bible is written by Dorrie Jacobson, a retired Playboy Bunny, model, make-up artist and quasi-expert on aging stylishly. It was created to celebrate the unmistakable allure of the mature woman and inspire a more modern approach to fashion, with the goal to inspire "women of a certain age" to embrace an ageless attitude and adopt a more youthful outlook on life.
